

Keeping you connected

Subject to these Terms and Conditions, Darwin International Airport Pty Limited (ACN 081 258 157) ('we', 'us') offers unlimited free WiFi access throughout the terminal, so you can work, play and stay in touch while you're here.

WiFi instructions

How to log on

1. Connect your device to the wireless network called **DarwinAirportWiFi**. If it hasn't popped up automatically on your device, look for it under 'available networks'.
2. Start your internet browser. Darwin International Airport's wireless hotspot page will appear automatically.
3. Fill in the details required and accept the terms and conditions.

Terms and Conditions

We provide public wireless services ("Services") to users ("you") at Darwin International Airport Terminal ('Terminal') on the terms and conditions set out below.

It is a condition of use of the Services that you:

- agree to not use the Services to annoy or cause harm to others or for any illegal purpose or activity;
- agree not to resell the Services to others;
- agree to immediately report any suspected misuse of, or breach of security in relation to, the Services;
- have read, understood, and freely accept these Terms and Conditions and Darwin International Airport's Privacy Policy ('Privacy Policy');
- accept the Terms of Use and Privacy Policy governing the provision of this WiFi service set by Skyfii Group Pty Ltd (ACN 165 152 241);
- acknowledge that we will use all reasonable endeavours to provide the Services to a reasonable standard at Terminal , but it is not possible for us to guarantee perfect, continuous or fault-free Services or ensure that the coverage or speed of the Services remains constant. The quality, coverage and speed of the Services will depend on your location, the configuration of your equipment and the configuration of our network as well as factors like radio interference, atmospheric conditions, geographic factors, network congestion and other operational or technical factors;
- acknowledge that while we will endeavour to make the Services compatible with most software packages, wireless devices and computer configurations, we in no way liable or responsible for ensuring that the Services will be compatible with and will not damage your equipment, software or data;

- acknowledge that we are not responsible for ensuring the integrity, privacy or security of your data or the content of any information accessed by you on our network and you are accessing and using the Services at your own risk and we will not be held responsible or liable for any loss or damage suffered as a result of you using or accessing the Services;
- to the maximum extent permitted by law, fully release us from, and we exclude, any liability of any kind to you, or any person claiming through you, in respect of any loss of any type arising from the use of the Services or a fault, interruption or failure of the Services; and
- hereby release, indemnify and hold harmless us from any and all liability, damage, claim of any nature whatsoever arising out of or in any way related to the use or access of the Services.
